*Les Amis du Numero Neuf is an association of like minded people who are interested in alternative energy resources, a variety of arts and crafts including music and constructing alternative housing.*

*This year we are running four courses in solar energy here in St Laurent de Cerdans in the Pyrenees-Orientale, a traditional catalan village in the vallespir valley, with breathtaking views and acres of natural forest.*

*The course dates are as follows:*

*16 May 2005 - 20 May 2005  
27 June 2005 - 1 July 2005  
19 September 2005 - 23 September 2005*

*The cost of the course is Euros 1,300 per person. A deposit of Euros 450 (non-refundable) to be paid upon registering for the course and the remaining Euros 850 to be paid 14 days before the commencement of the course.*

*This fee includes:*

*- Transfers to and from pick-up points.*

(Flights are available to Girona, Spain, Barcelona, Spain or Perpignan, France).

Those using Perpignan airport will be collected directly from the airport.

Those arriving in Barcelona and Girona will need to find their own way to Figueres train station where transport will be provided.

- Transport will also be provided to all site visits.

-Half board accommodation plus two evening restaurant meals plus transport to and from the restaurants.

The course takes place over five days which will include, theory and printed notes of the course, practical applications in a workshop environment and visits to existing solar energy sites in the district. The tutor for the course is Frank Jackson of Green Dragon Energy who has many years experience in this subject.

Last year we held our first solar energy course which was a great success and we received very positive feedback from the students, a few examples of which are shown below:
